

## SMTronic - PCB design guidelines

- **margin PCB on long edge**
- **margin width 8mm**
- fiducials diameter 1mm
- other coordinates fiducials on top and bottom side
- minimum panel width 80mm (y)
- **preferred panel size 180\*80 to 300\*180 mm (x\*y)**
- maximum panel size 600x480mm (x\*y)
